	F. WEST.

**THE
DEVONSHIRE ROYAL HOSPITAL
AND
BUXTON BATH CHARITY**

**THE ONE HUNDRED AND THIRTY-THIRD
ANNUAL REPORT**

for the Year ended 31st December, 1943.

The Committee of Management has pleasure in presenting the Annual Report and Statement of Accounts for the year 1943, and, whilst it is regretted that it has again been necessary to reduce materially the size of the Report any information, which it has been considered expedient to omit will be willingly supplied on request, and detailed lists of Subscribers, Donors, etc., may be inspected at the Hospital.

During the year all the essential services of the Hospital have been fully maintained in addition to the emergency services, although many difficulties have been experienced.

There has been no difficulty in maintaining a complement of the Nursing and Treatment Staffs but the Domestic Staff has created a serious problem, and it is hoped that this situation will become easier now it is receiving the attention of H.M. Government.

During the year the Committee has adopted the scale of salaries for Nurses recommended by the Rushcliffe Committee and also the Scale of Salaries for the Massage Staff recommended and approved by the Ministry of Health, and although this will impose an increased financial burden on the resources of the Hospital, the Committee relies with confidence on increased financial support from the many subscribers and supporters.

Obituary.

The Committee records with great regret the death of several members of the Committee of Management and the Honorary Medical Staff.

Immediately after the close of the year by the death of Councillor Edwin White, J.P., and Alderman Mrs. Ada Summers, M.B.E., J.P., the Committee of Management was deprived of the valued services of two of its members.

Councillor Edwin White had served on the Committee since 1938 and at all times took a generous and active interest in the welfare of the Hospital.

Alderman Mrs. Summers was President of the Hospital in 1929-30 and had served on the Committee as a representative of the Governors Cotton Districts Convalescent Fund, since 1925. Her wide experience was of the greatest assistance to the Committee.

The Honorary Medical Staff has been depleted by the death of two of its members, Dr. J. A. Hendry and Dr. G. Holmes.

In March Dr. Hendry was compelled, for reasons of health, to resign the post of Honorary Physician which he had held since 1914, and also his seat on the Committee of Management on which he had served since 1925. In recognition of his loyal and faithful service to the welfare of the patients and the interests of the Hospital he was, on his retirement, appointed to the post of Honorary Consulting Physician.

Although on y appointed to the Honorary Medical Staff in April the death of Dr. G. Holmes shortly after his appointment was a serious loss, as his services had proved a valuable contribution to the care of the patients.

President.

It is gratifying to report that Lady Turner again consented to continue in the office of President, and the Committee sincerely appreciates her willingness to act in this capacity for the sixth successive year.

Finance.

The Total Expenditure compared with the previous year has decreased from £40,895 7s 0d. to £40,156 3s. 10d. and the Total Income has also decreased from £41,049 7s. 1d. to £40,293 19s. 9d, and exceeded the Expenditure by £137 15s. 11d., after £8,500 had been transferred to the Contingencies and Post-War Expenditure Account as a reserve for carrying out very necessary alterations and repairs to the buildings and equipment.

In expressing grateful thanks to the Annual Subscribers for their encouragement and support the Committee invites attention to the material advantage to the Hospital if subscriptions are paid under Deed of Covenant.

By this simple means the Hospital is able to reclaim from the Inland Revenue authorities the amount of Tax which has been paid by the Subscriber. At the present time, as income is taxed at 10s. in the Pound, the value of a subscription is doubled by this method. Full particulars will gladly be forwarded on request.

Subscribers can also assist the Hospital, in these days of shortage of staff and need for economy, by instructing their Bankers to credit the Hospital with the amount of their subscription on a given date annually, thereby saving correspondence, labour and paper. A Banker's Order for completion will be supplied on request.

Considerable saving has been effected by issuing Recommendations to Subscribers on request only, and for the time being it is considered expedient to continue this practice.

Subscribers are again requested to help the Hospital by urging patients they recommend to contribute generously towards the cost of their maintenance while in Hospital.

Investments.

£13,500 representing Balances in the Legacies Suspense Account, the Extension Fund Account and the Contingencies and Post-War Expenditure Account have been invested as detailed in the Schedule of Investments.

Flag Day.

£759 15s. 2d. was received as a result of this effort which constitutes a record, and grateful thanks are accorded to all who helped towards this splendid result.

Treatment.

At the request of the Ministry of Health the Committee agreed to assist in the development of Rehabilitation measures, to the greatest extent so far as wartime conditions will permit, for the benefit of patients suffering from general surgical and medical conditions as well as those suffering from fractures or other physical injuries, this method of treatment being designed to restore the full functions of a patient's movements, and to maintain or restore the mental and physical capacity in the shortest possible time.

The existing thermal and physio-therapeutic treatments continue to be given, and rehabilitative measures are introduced by the inclusion of recreative games and exercises and occupational therapy.

All patients are carefully categorised according to their disability and medical capacity and a specially designed programme which includes adequate rest periods is prepared.

Dr. E. C. Cosgrove has been appointed Medical Officer in charge of this Department and the Committee expresses its thanks to the Spa Committee of the Buxton Corporation and the Committee of the Buxton Cricket and Bowling Club for the facilities for games and exercises they have generously placed at the disposal of the patients at the Pavilion Gardens and Cricket Ground, respectively.

Certain alterations are being carried out in the Hospital Grounds in order to provide recreative space.

During the year a Special Sub-Committee appointed by the Committee of Management thoroughly investigated the position as regards rationing and amenities for patients and, after making certain recommendations for such improvement of the amenities as may be permissible, reported that Rations, which are issued on the full scale allowed by the Food Regulations and are supplemented by such unrationed foods as may be available, are wholesome, carefully prepared and cooked and properly served.

A number of the beds continue to be reserved for Medical and Surgical cases.

Summary of Patients.

IN-PATIENTS.

Rheumatic—Civilian	1 769
Service	122
E.M.S.	539
Radium Centre.....	455
	— 2,885

OUT-PATIENTS.

Rheumatic—Civilian	674
Service	117
E.M.S.	8
	— 799

TREATMENTS.

Mineral Water	40,134
Massage and Electrical	82,109
Orthopædic Plasters	507
	— 122,750

Gifts.

Although existing conditions tend to restrict supplies, many useful gifts have been received during the year, and as the publication of a detailed list is prohibited by the lack of space the Committee takes this opportunity of expressing grateful appreciation to all who have so helped.

Honorary Officers.

The serious depletion in the number of Medical Officers available for duty, on account of deaths and service with the Armed Forces of the Crown, has not been allowed to interfere with the medical care of the patients, and the particular thanks of the Committee are due to the remaining members of the Honorary Medical Staff for accepting additional responsibilities in the interests of the patients.

It has not unfortunately been found possible to arrange for regular visits by an Orthopædic Surgeon, but as a temporary expedient alternative measures have been adopted.

Medical Officers.

It is with regret that the death of Dr. R. E. Holt, the Medical Registrar, is recorded. He has been succeeded by Dr. Clara Stewart.

Research.

The depletion of Staff in these Departments has not been allowed to interfere with the specialised services which are being maintained without restriction.

Massage Department.

The work of the Department has further increased, 82,109 treatments, including 468 at the Buxton and District Hospital have been given and 507 Orthopædic Plasters were applied.

It has been possible to obtain the necessary valves for the Short Wave Diathermy Apparatus and very great use has been made of this method of treatment, with good results.

Massage School.

The School has now been recognised for the training of Teachers, and one pupil teacher has commenced training.

Twenty-four Massage Students entered the School during the year and twenty-three completed their training.

Seventeen students passed the Conjoint Examination of the Chartered Society of Physiotherapy, one gaining distinction, and eighteen passed the Electrotherapy Examination.

The Committee is indebted to Mrs. Bowen who has continued to permit Corbar Hall to be used as a Students' Hostel, and her generosity is sincerely appreciated.

Staff.

The Committee expresses its gratitude and appreciation to every member of the Administrative, Medical, Nursing, Technical, Maintenance and Domestic Staffs for their loyal service, and for the efficiency with which they have carried out exacting duties under increasingly difficult conditions.

OPHTHALMIC DEPARTMENT.

25 cases were examined.

PATHOLOGICAL DEPARTMENT.

1,676 examinations were carried out.

BIOCHEMICAL DEPARTMENT.

3,556 examinations have been made in connection with the routine work of the Hospital.

X-RAY DEPARTMENT.

The number of cases dealt with was 2,764.

AUDITORS' REPORT.

11, Spring Gardens,
Manchester, 2.

May 4th, 1944.

To The Chairman and Committee of the Devonshire Royal Hospital, Buxton.

Gentlemen,

We have attended each month at the Hospital and have audited the books for the year ending 31st December, 1943.

We have seen that the income has been accounted for, and that the disbursements have been duly authorised and vouched.

We have obtained from the Bankers a certificate to the effect that they hold on behalf of the Hospital the Securities specified in the schedule annexed to the Balance Sheet. The Bankers have also furnished a certificate verifying the balances shown by the Accounts to be due by them.

The Stocks of Drugs, Provisions, etc., on hand have been properly certified.

We are, Gentlemen, Yours faithfully,

(Signed) HALLIDAY, PEARSON & Co.,
Chartered Accountants.

EXTRACTS FROM THE GENERAL RULES AND REGULATIONS.

PRIVILEGES OF SUBSCRIBERS.

40. (A) A Life Subscription of Twenty Guineas shall entitle a Subscriber to recommend one In and two Out-Patients annually. Forms of recommendation will be sent to Life Subscribers by the General Superintendent and Secretary on application.

(B) Annual Subscribers shall be entitled to recommend one In-Patient or two Out-Patients for each Guinea Annually subscribed, but no such Subscriber shall send a Patient until he has been a Subscriber for at least three months, unless the difference between an Annual and a Casual Subscription be also paid; nor until his Subscription for the current year is paid; nor shall he be entitled to recommend more than five In-Patients under this Rule in any one year.

An increased Annual Subscription shall be treated as a new Subscription, and the Recommendation issued thereon cannot be used till three months after payment.

All Subscriptions shall be considered as due in advance on the 1st January in each year.

The Recommendations of Life and Annual Subscribers are available only during the year for which they are issued.

(C) Patients who are members of a Contributory Scheme offering free Hospital treatment to its members, may not be admitted under an Annual Subscriber's Recommend unless the balance of the cost of maintenance, as shown in the Annual Report for the preceding year, is paid by the Scheme to which they contribute, or such proportion of the balance as may in special circumstances be approved by the Committee of Management.

(D) Persons not being Annual or Life Subscribers may recommend Patients on payment of Casual Subscriptions as follows :—

£6 0s. 0d., for each In-Patient.

£2 2s. 0d., for each Out-Patient.

and Annual or Life Subscribers may also recommend additional Patients beyond the privileges granted under 40 (A) and (B) on payment of Casual Subscriptions as detailed above.

These standard payments are subject to revision by the Committee of Management, and additional rates for special treatment may be imposed.

The necessary forms for Casual Subscribers will be sent by the General Superintendent and Secretary on application.

- (E) Any Clergyman or Minister kindly preaching a Sermon or Sermons, on any one day in aid of the Funds of the Hospital, and contributing therefrom not less than £4 4s. shall be entitled to one In or eight Out-Patients' recommendations.
- (F) Proprietors of Hotels, Hydros, Boarding or Lodging-houses, who shall obtain from visitors donations amounting to £4 4s. or upwards during the year, shall be entitled to one In or four Out-Patients' recommendations.

NOTE.—Recommendations issued under Clauses (E) and (F) are limited to five In or 20 Out-Patients respectively.

- (G) Patients only are admissable whose diseases are capable of being benefitted by the Buxton Waters, viz.:—Rheumatism, Sub-acute and Chronic, Gout, Sciatica and Neuritis in all their forms, Fibrositis, Rheumatoid Arthritis and Osteo-Arthritis, Spondylitis, and crippling conditions arising from these diseases or from strains, fractures, or other causes. Cases of Tubercular origin will not be accepted nor shall Patients suffering from any Incurable Disorder or from Tuberculosis or advanced Heart Disease—Women more than six months advanced in Pregnancy—persons afflicted with Fits, Cutaneous Disease, Ulcers, Itch, or Insanity—or infested with Vermin—be admitted as In-Patients, or, if inadvertently admitted, shall not be allowed to remain.
 - (H) Recommendations are available for treatment only, and may not be used to secure special examination or investigation.
